

My Brother's Song

Sarah Lang, junior, Mater Ecclesiae College

Do you want to sleep in my room tonight?
I will make sure everything's alright.
Close your eyes and have no fear
Because your sister is right here.
So goodnight and sleep tight,
I love you

'Cause you're my little brother,
You're my special friend.
I'll always be here for you;
I'll love you 'til the end
And even when we're older
You will still be
My little baby brother
That God gave to me.

Hey there, Buddy, did you have a good day?
How are your friends and is school going OK?
I will help you with your homework
If you want me to,
Then we'll play basketball just me and you.

'Cause you're my little brother,
You're my special friend.
I'll always be here for you;
I'll love you 'til the end
And even when we're older
You will still be
My little baby brother
That God gave to me.

Thank you for the times we've shared,
Thank you for how much you care,
Thank you for always being there,
You know, brothers like you are so rare!
Know that I...

love you, my little brother
I love you, my special friend.
I'll always be here for you,
I'll love you 'til the end,
And even now that we're older,

You will always be
My little baby brother
That God gave to me.

You're my little brother,
And God gave you to me
